OUR SCHOOL

Our school is located in the center of a small village Šintava. Šintava is in south west part of Slovakia, 65 km from the capital Bratislava. Its name is Elementary school with kindergarten of king Svätopluk. This name is associated with a legendary king from the history of our country. 122 students attend our school. The youngest students are 6 years old and the oldest students are 15 years old. 13 teachers teach at school. At school there are nine classrooms, two computers classes, a laboratory, two gyms, a dining room and a library. We are a small school, but we work on many projects to improve our education.

Adam Ďurčina, aged 14

Naša škola sa nachádza v centre malej dedinky Šintava. Šintava je situovaná na západnom Slovensku, 65 km od hlavného mesta Bratislavy. Jej názov je ZŠ s MŠ kráľa Svätopluka. Meno kráľa Svätopluka sa spája s históriou krajiny. Školu navštevuje 122 žiakov. Najmladší žiaci majú 6 rokov a najstarší 15 rokov. Na škole vyučuje 13 učiteľ'ov. V škole máme deväť tried, dve počítačové učebne, laboratórium, dve telocvične, jedáleň a knižnicu.

Sme malá škola, no pracujeme na mnohých projektoch, ktoré skvalitňujú naše vzdelávanie.

The worksheets

Curious boy is going to help you to solve the worksheets.

Whose are these flags?

Find out which flag belongs to which country. Don't forget to use your coloured pencils.

The image features a large, intricate maze of grey lines. On the left side, there are eight national flags. On the right side, there are eight rectangular boxes containing country names. The maze is designed so that lines from each flag eventually lead to its corresponding country name.

The worksheets

Our 7- 9 year old students successfully solved these worksheets. They gained new knowledge about partner countries involved in the project. They have found out where partner countries are located and what the name of the city of our partner schools are and whose the flags are.

The PowerPoint presentation

Younger pupils enjoyed the presentations about partnership countries which were prepared by their teachers. They saw a huge amount of pictures, so they could imagine the countries.

Writing and translating texts about Slovakia

Older students wrote and translated the texts about Slovakia. The best texts are published in this book.

The dance and the poem

8- year old children have learned a typical Slovak folk dance. 7- year old kids have learned a short poem in Spanish language.

Creating posters

Older students created eight posters together. The partnership countries were presented on the posters.
